Final Survey: Website and Messages

In today's final survey, I'm asking about my website and the Messages. What works best for you? What changes would you like to see? The survey is again only 10 questions, and I promise it'll be quick and easy.

To take today's survey, click on this link and you'll be taken to the survey:

Thanks for your help. It's a lot of long hours to redesign the website, and we want to make sure we're heading in the direction that works for readers and customers. You've given us a lot of info to digest, so we're taking next week off to absorb it and apply it to our redesign. (Yes, that's a hint of things to come in the illustration and the new logo on the surveys.)

What are you prepared to do today? I hope you're prepared to fill out one last survey!
